

**Earth is a school and daily life is our classroom.**

We are here to learn  
by expanding our awareness  
about the world  
and about ourselves.

Learning about the world  
helps us to succeed.

Learning about ourselves  
helps us to evolve.

Our challenges in the arenas of  
relationship, health, and finances  
are all part of the curriculum.

Daily life teaches us all we need to know  
for the next step on our journey.

Each and every day,  
we find new lessons to learn.
