

KEYS TO THE ABUNDANT LIFE

What is the key to Success?

It is one man....YOU! You're the KEY man to your success. Only you are willing to discipline, sacrifice and plan for your success. Others will applaud...but only you will be the key.

Here are the other keys:

Success requires **DILIGENCE**.

“The heights of great men reached and kept were not attained by sudden flight, but they, while their companions slept, were tolling upward in the night.”

-Longfellow

Success requires **HIGH IDEALS**.

“Whatever career you embrace, propose to yourself an elevated aim, and put it in its service an unaltered constancy.”

-Victor Cousin

Success requires **NOBLE, HONEST EFFORT**.

“Take hold, my son, of the toughest knots in life and try to untie them; try to be worthy of mans highest estate, have high, noble, manly honor. There is but one test of everything, and that is, *is it right?* If it is not right, turn away from it.”

-Henry A. Wise

Success requires **VISION**.

Lincoln Steffens tutor told him: “Go to it, boy. The world is yours. Nothing is done, nothing is known. The greatest poem isn't written, the best railroad isn't built yet, the perfect state hasn't been thought of. Everything remains to be done right, everything!”

Success requires **INITIATIVE**.

“Before sitting down to wait for your ship to come in, be sure you have sent one out.”

-Author Unknown
