

OFF THE WALL

THE IMPORTANCE OF TIME

Imagine there is a bank which credits your account each morning with \$86,400.00, carries over no balance from day to day, allows you to keep no cash balance and every evening cancels whatever part of the amount you had failed to use during the day. What would you do?

Draw out every cent, of course!!!!

Well, everyone has such a bank. Its name is **TIME**. Every morning, it credits you with 86,400 seconds. Every night it writes off, as lost, whatever time you had failed to invest to good purpose. It carries no balance. It allows no overdraft. Each day it opens a new account for you. Each night it burns the records of the day. There is no going back. There is no drawing against the tomorrow. You must live in the present on today's deposits. Invest it so as to get the most in health, happiness and success. The clock is running. Make the most of today.

- To realize the value of **ONE YEAR**...ask a student who has failed his exam.
- To realize the value of **ONE MONTH**...ask a mother who has given birth to a premature baby.
- To realize the value of **ONE DAY**...Ask a daily wage laborer who has ten kids to feed.
- To realize the value of **ONE HOUR**...Ask the lovers who are waiting to meet.
- To realize the value of **ONE MINUTE**...Ask the person who has missed the train
- To realize the value of **ONE SECOND**...Ask the person who has survived an accident
- To realize the value of **ONE MILLI-SECOND**...Ask the person who has won a silver medal in the Olympics.

Treasure every moment that you have! Treasure it more because you shared it with someone special...special enough to have your time...and remember time waits for no one.
